

Partnership

Offer

Commercial terms for the Match-Prop prop trading company solution.

This offer outlines the proposed commercial model between Match-Prop ("Match-Prop") and the partner ("Partner").

All terms are subject to contract and completion of onboarding and risk reviews.

Fees & Costs

Setup fee	USD 2,500 payable upon contract signing
Monthly fee	USD 0 (no fixed cost, only revenue share model)

Revenue Share Model

Partner receives a revenue share on the final challenge price, including any discounts and/or add-ons. The revenue share is tiered based on total monthly sales volume, as shown below. **The risk of traders' payout is on Match-Prop.**

Monthly sales volume (USD)	Revenue share (%)
Up to 10,000	30%
10,001-25,000	35%
25,001-50,000	40%
Above 50,000	45%

The tiering is applied on a marginal basis (each portion of monthly sales is paid at its corresponding tier rate). Revenue share is settled monthly.

Monthly sales are reported net of EU VAT (if applicable).

What is included

- **Payment infrastructure** - we collect payments and share revenue.
- **Full tech setup** (Trading Platform, CRM, data feed)
- **Setting all the rules and trading conditions correctly**
