

Challenge Plans

- Partners may offer different challenge plans and/or optional add-ons
- Challenge pricing and key parameters must be approved by Match-Prop onboarding and risk teams prior to launch
- Any discounts and/or add-ons offered to traders must be approved by Match-Prop risk teams prior to offering.

Max Leverage*	1:40	1:40	1:40
Minimum Withdrawal**	1%	1%	1%
Profit Split	80/20	80/20	80/20

* Leverage for accounts in the funded phase, under both the One Step and Two Step models, is appropriately reduced and applied in accordance with the applicable Terms and Conditions governing funded accounts.

** Disable Max Loss recalculation on withdrawal is enabled for Instant challenges: the Max Loss floor stays exactly where trading results moved it and doesn't get lowered after a payout.
